

DECO3500 Acknowledgement of Original Work Declaration

We, the members of THE A- TEAM, declare that this assignment, CampusFit, submitted for assessment in DECO3500, Social & Mobile Computing, is the original work of the team. We affirm that we have undertaken the necessary research, analysis, and writing required for the completion of this assignment. Any external sources of information used in the creation of the prototype and its accompanying documentation have been appropriately acknowledged, cited and referenced, including any use of generative AI tools (e.g. ChatGPT).

Each team member understands that plagiarism, the act of using someone else's work or ideas (or a computational tool's output) without proper acknowledgment, is serious academic misconduct and in breach of UQ's student code of conduct.

We acknowledge that if we are discovered to have engaged in plagiarism, we may face disciplinary actions as outlined in the university's policy.

By signing below, we, the members of THE A- TEAM affirm we are committed to upholding the principles of academic integrity in this course.
