

1. Task Success:

- Were you able to complete the primary tasks you came to this website/app for?
- If not, what specific difficulties or obstacles did you encounter?

2. Ease of Use and Navigation:

- Did you find the website/app easy to navigate?
- Were you able to locate the information or features you needed without any issues?

3. Design and Layout:

- What are your thoughts on the overall design and layout of the website/app?
- Is there anything about the design that you found confusing or distracting?

4. Content and Information:

- Did you find the content on the website/app helpful and informative?
- Were there any pieces of information missing that you expected to find?

5. Overall Impressions:

- What is your overall impression of the website/app?
- On a scale of 1 to 10, how likely are you to recommend it to a friend or colleague?

Shaswat:

Task Success: Yes, I was able to complete my tasks without any difficulties.

Ease of Use and Navigation: The website/app was easy to navigate, and I quickly found what I needed.

Design and Layout: The design was clean and visually appealing, making it easy to use.

Content and Information: The content was informative and helped me complete my tasks effectively.

Overall Impressions: I'm highly impressed with the website/app and would rate it 9 out of 10 for recommendation.

Suryansh:

Task Success: I had trouble finding what format my schedule had to be for me to upload it, which made the task a bit challenging.

Ease of Use and Navigation: Navigation was straightforward, and I easily located the features I was looking for.

Design and Layout: The layout was cluttered, and some design elements such as the workout swapping were distracting.

Content and Information: The schedule format information was missing, which hindered my progress.

Overall Impressions: My overall impression is average, and I'd rate it 5 out of 10 for recommendation.

Surya:

Task Success: The primary tasks were completed smoothly, no issues at all.

Ease of Use and Navigation: It took me a while to figure out how to swap the exercises.

Design and Layout: I liked the overall design, but the color scheme was a bit too dull for my taste.

Content and Information: I found the content comprehensive and valuable for my needs.

Overall Impressions: I'm very satisfied with the website/app and would give it a 9 out of 10 for recommendation.

Dhaka:

Task Success: I encountered difficulties while trying to browse the share screen.

Ease of Use and Navigation: I found the navigation confusing, and it took me some time to find the information I needed.

Design and Layout: The design was confusing, and I didn't like how information was organized on the page.

Content and Information: The website kinda lacked the drive that I was looking for.

Overall Impressions: I'm not dating with the website's overall performance and would rate it 5 out of 10 for recommendation.

Shaun:

Task Success: I was not able to successfully go through the task.

Ease of Use and Navigation: The website's navigation didn't feel very intuitive

Design and Layout: The website's design was minimalistic and not very bright.

Content and Information: The content was well-structured and provided the information I was looking for.

Overall Impressions: I had a decent experience overall, and I'd rate it 7 out of 10 for recommendation.
